# DASSY® FUND WOMEN (710107)

T-SHIRT WITH LONG SLEEVES FOR WOMEN

## DESCRIPTION

DASSY® Fund for women is for anyone who wants clothing that's nice and warm, but also airy. This T-shirt with long sleeves combines a high cotton content for extra softness with recycled polyester for a sustainable touch. What's more, UV protection (EN 13758-2) gives you better protection from the sun. DASSY® Fund for women has also been designed for industrial washing: reinforcements at the shoulders and neck, a chip pocket and extra loops inside make industrial washing and drying easy.
